Structural works have reached the ninth floor for units directly facing Taal Lake while units facing the main clubhouse and amenities are on the sixth floor. Construction was put on hold for the December peak season and will commence immediately on January 2017. The ceremonial top off of the project is scheduled for 2017. Complete project turn over and hotel opening is scheduled on the last quarter of 2018.

PRICE INCREASE

A 13% price increase has been implemented to all remaining units of Canyon Woods Residences. Only a handful units are left with some units directly facing Taal Lake. Unit prices now start at PHP 4,134,310.

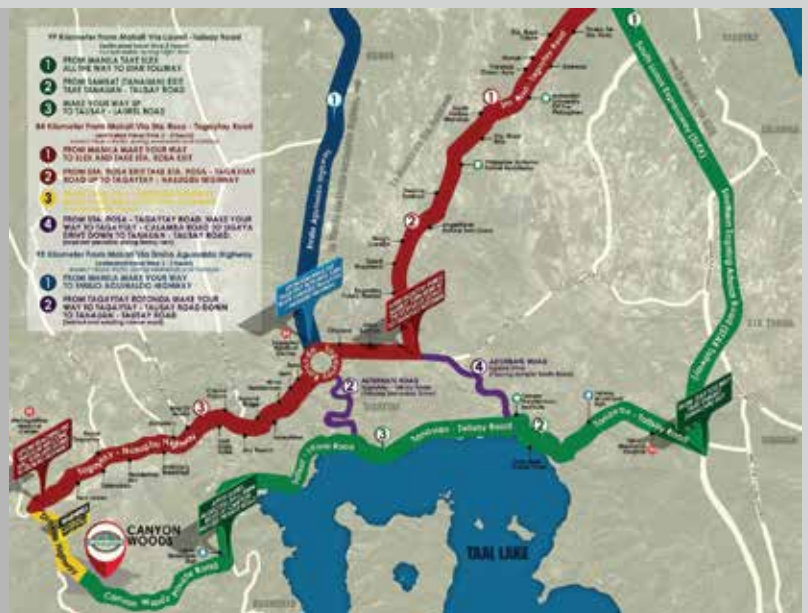

2017 is a much awaited year for Canyon Woods Residential Resort. This year, we are celebrating the 20th year of operations of our prestigious resort. We invite everyone to come join our year long celebration. Calendar of events will soon be released on our Facebook Page: Canyon Woods Resort Club

DIOKNO HIGHWAY ROAD CLOSURE

It is with great dismay that we report the road closure of Diokno Highway (red-yellow route). The Philippine Department of Public Works and Highways has already proposed a permanent repair for the collapsed road brought in by strong amounts of rain and heavy truck usage in 2016. In the meantime, we would like to encourage everyone to take the Tanuan-Talisay Taal coastal route via Start Toll Expressway to Canyon Woods (green route). The map attached may also be found in our Facebook Page: Canyon Woods Resort Club.
